Ideal for leisurely lunches or celebratory dinners, Babbo is the perfect location for all occasions.

Taking design inspiration from the Mediterranean and its rich cultural heritage. Our home consists of three main areas, including an open dining room with a vibrant bar, an intimate cosy semi-private lounge and an outdoor heated terrace.

Resplendent in tones of reds and burgundies, offset with bespoke dark timber, a custom made illuminated mirrored ceiling, with terrace doors that open onto St John's Wood High Street, creating a semi alfresco ambience throughout the restaurant.

We offer group dining and exclusive hire indoors and outdoors for breakfast (on request), lunch, dinner and receptions.
